

Haywood County Tourism Development Authority
1% Tourism Related & Capital Projects Grant Guidelines
FY 2023-2025 Funding Cycle

All awarded 1% grants must be used between July 1, 2023 and June 30, 2024

Purpose:

The purpose of the HCTDA's 1% Zip Code Funding is to encourage creation and/or expansion of capital projects that will showcase Haywood County's unique offerings and will attract visitors from outside a fifty (50) mile radius, generating overnight stays and creating economic/destination impact while enhancing quality of life for residents.

Definition:

Expenditures that, in the judgement of the Tourism Development Authority, are designed to increase the use of lodging facilities, meeting facilities, and convention in a city/county by attracting tourists or business travelers to the city/county.

Who Can Apply:

Not-for-profit organizations, museums, attractions, municipalities, or other tourism entities seeking to build or enhance a project that caters to visitors and produces economic/destination impact as well as creating sustainability.

For-profit organizations seeking to build or enhance a well-defined tourism- oriented project that caters to visitors and produces economic/destination impact as well as creating sustainability. For-profit organizations must match grant award dollar for dollar.

Criteria:

All grants will be awarded on a competitive basis, with primary consideration given to applications that focus on the following items:

- Enhance the destination experience for both visitors and residents
- Attract overnight visitors from more than fifty (50) miles outside Haywood County
- Sustainability (event/project must become self-sufficient within three years and/or be good for the community & environment)

The HCTDA cannot guarantee that all applicants will be awarded funding. Funding may be awarded for less than the amount requested or not at all. Limited funds may not allow all projects to receive funding. Preference will be given to the projects that best demonstrate the above criteria. Final decisions regarding the award of grant funds are at the sole discretion of the HCTDA Board of Directors.
